

Cummings Will Attend Session On Draw Poker

Next moves in the fight against draw poker "social clubs" apparently awaited this week the outcome of the meeting set for next Wednesday night between area leaders and Supervisors Jack Cummings and Ray Taylor.

The meeting will be held at Lafayette Town Hall at 8 p.m. Meanwhile, Attorney George R. Gordon of Martinez reiterated that he is convinced that a costly lawsuit will be necessary in order to terminate the month-to-month rental agreement under which Gus Schwarz and Silvio Mangini are operating the "Pastime" cigar store "social club" in the old post office building on Mt. Diablo Boulevard in Lafayette.

Next Wednesday night's conference, arranged by President W. B. Scarborough of the Lafayette Improvement Association, will be for the purpose of exploring possibilities of banning draw poker parlors locally in the unincorporated areas of the county, despite the Board of Supervisors' recent refusal to outlaw such places.

Gordon represents Mr. and Mrs. W. Alford Hetherington of San Francisco, owners of the old post office building, from whom Schwarz and Mangini are renting the "social club" space.

EXPECTED TO BE present at Wednesday night's meeting, in addition to Cummings and Taylor, are Scarborough, President Kirk Miles of the Orinda Association, President Jack Schneider of the Lafayette Chamber of Commerce, President Dick Prokop of the Gregory Gardens Improvement Association and President Sanford Terry of the Pleasant Hill Improvement Association.

Following this conference, a large public meeting may be arranged for a later date, Scarborough has indicated.

Board of Supervisors' refusal to legalize draw poker parlors in unincorporated Contra Costa was voted despite the plea of the Lafayette Improvement Association that an ordinance be enacted. Protests against such establishments were also voiced by the Orinda Association's Civic Affairs Committee, the Lafayette P. T. A. Unit and the Lafayette Chamber of Commerce.

GORDON YESTERDAY declared: "I'm sure a lawsuit will be necessary to get the 'social club' out of the place in Lafayette. I'm anxious to get together with people in Lafayette to see if they'll back Hetherington financially in such action. They could even select their own attorney. "I'm sure Hetherington will cooperate if he is held harmless financially."

Dramateur Tryout Next Tuesday

Tryouts for the forthcoming Dramateur production will be held next Tuesday evening at 7:30 p. m. in the Orinda Grammar School Auditorium.

Because there has been no release for the production from New York City, the choice of play cannot be announced as yet. Announcement of the play and rehearsals will be made Tuesday evening. The Dramateurs are looking forward to a large turnout for the tryout meeting and invite anyone who is interested in the phase of amateur theatricals to attend.

Daniel Popovich Church Organist

Daniel Popovich, prominent pianist, organist and educator, will become the organist of Orinda Community Church Sunday, according to announcement of the church's music committee.

An Orinda resident, Popovich has served at the consoles of some of the larger Bay region churches.

The small but excellent memorial organ of the Community Church is to be enlarged to give greater scope to his talents.

A further incentive is the fact that Mrs. Popovich is the choral director for the local congregation—an especially capable and winsome combination, and a fortunate circumstance for our church's musical life," according to Rev. Fred Morrow, the minister.

The Popoviches are beginning their joint service to the Community Church as the new chapel is being completed on the church property adjacent to Orinda Community Center.

Kids! You Can Win Official Football By Getting Two Subscriptions to Sun!

Kickoff time is almost here for this fall's football season. No need to remind Central Contra Costa County boys of that fact. But what all gridiron-loving lads will be glad to know is that they can easily win an official white football.

It's as simple as getting two NEW subscriptions to the SUN. That's all it takes, kids. Just sell the two new subscriptions, bring the \$6 and the fill-out subscription blanks to the nearest SUN office, and you'll get that football.

In addition to being official size and white, the ball has a new type valve that does not require a needle to inflate, a Butyl bladder that retains air for over a year while in play and a molded bladder cover, eliminating the rubbing of thread against the bladder.

Also, it has special stripe markings on it to make it easy to use at night.

Go to it, kids! Get those subs so you can scrimmage and play with this official-size football. See announcement in this issue for details and subscription blanks.

LOMI LOMI SALMON AND ATHENS CLUB GIRLS will be important parts of tomorrow night's gala Luau at the Vail Hotel home on Lower Happy Valley Road, given by the Orinda Branch of Children's Hospital of the East Bay. Theme of the hospital-benefit event will be Hawaiian

throughout — including tempting, exotic foods flown directly from the islands, costumes worn by participants and the Water Ballet performed by the Athens Club Aquacade. At left, Water Ballet girls rehearse at the edge of the Vail pool. Left to right, they are Patty Dahl, Dawn Bean, Jo-

anne Berthelsen, Sue Brobst, Sheila Lockwood, Marguerite White and Muriel Boyd. At right, Jeltan (left) is preparing lomi lomi salmon in the bowl, while Mrs. Edmund Cardin (center) and Mrs. Lyle York stand by to give her more ingredients. — SUN photos by Ned Davis

That Roar? It's Lions Club Barbecue Tomorrow Night; Place—Carroll Ranch

If you hear some lusty roaring as you approach Carroll Ranch tomorrow evening, you'll know you're headed in the right direction for the Orinda Lions Club's annual barbecue.

The Lions' big shindig will get under way at 7 at the ranch, whatever the weather may be. If the weather's mild, there'll be swimming at the pool; if it's cold or rainy, there'll be indoor dancing.

In either case, there will be succulent barbecued steaks and the other portions of a de luxe "feed." By unanimous demand, the same cooks who have served at the annual barbecue since its inception several years ago will prepare and "dish up" the grub.

Heading the cooking committee

is Joe Navone, whose wife, Frances, will prepare the salads. Navone's other assistants will be Jim Lucas, Bob Frolich, Jack Cooper, Matt Allen and Warren Detloff.

THOSE BIG, JUICY steaks by the way, have become almost as much of a tradition as the Lions' roar. This will be the first time the annual affair has been held at Carroll Ranch. In the past it has been held at Redwood Canyon and at St. Mary's picnic grounds, but the gatherings have been so successful that the larger space at the ranch was selected for this time, to accommodate the expected crowd.

WALT FRIBERG, general chairman of the event, announced that directional signs will be posted at important intersections. To get to the Carroll Ranch from Orinda

Country Club's Swim Meet Set For Tomorrow

The Orinda Country Club swimming championship will take place tomorrow at 2:30 p.m. at the Club Pool.

There will be races for children from six through 18 and over, age grouping at two-year intervals. Medals will be given for first three places in free style and backstroke annual event.

A special attraction will be the men's plunge for distance, a beautiful loving cup going to the winner.

On Sunday the Annual Club and Park Pool Championship to be held at the Orinda Park Pool on El Tonal Road. Tryouts and team practice began last Saturday, continuing every day through today. Time is 4 p.m. for the tryout and practice period. All are urged to try out.

Best three from each age group will be chosen for free style and backstroke — age groups are from six to 18 and over. Gil Callies is the able swimming instructor at the Country Club pool.

'Hustle Bustle' Golfing Today

Women golfers are usually very serious about their golf (or had you heard?), but here's one event on Orinda's calendar for today that is nothing but fun.

It's the "Hustle Bustle," an annual event of the Women Golfers Association, and, according to Mrs. Carl Rank, will be the best ever. Merriment gets under way with breakfast at 8:30, with everyone appearing in costume — and what costumes!

It is to be a nine-hole event with play in foursomes, and for those who just can't help but keep their eye on the ball, there will be prizes. Mrs. Ronald Douglass and Mrs. Jack Bannister will be in charge.

Grass Fire At Slide Area

Apparently caused by a lighted cigar which had been dropped there, according to Fire Chief H. E. Wyatt, a small grass fire occurred Wednesday afternoon in the area of last December's slide along Mt. Diablo Boulevard about three-fourths of a mile west of Orinda Crossroads.

The blaze, after burning a section of about 50 square feet at the north side of the highway, was quickly extinguished by the Orinda Fire Department.

These Acalanes Runs Changed

The following changes in the Acalanes High School transportation route in Orinda are temporarily necessary due to road conditions and will be in effect starting Monday, until further notice. La Espiral Route 6 is closed from the east end of the lake to Five Corners. All students riding the bus from Las Vegas, Los Dedos, El Gavilan areas will be picked up at Five Corners at 7:25 a.m. On Route 5—Charles Hill, Miner Road, Sycamore Hollow, Camino Don Miguel, Miner Road is closed between San Pablo Road and Camino Sobrante. The students on Camino Don Miguel and Oak Arbor will be picked up at Miner Road and Camino Sobrante at 7:36 a.m.

Students living south of Don Miguel along Miner Road will be picked up at San Pablo and Miner Roads at 7:27 a.m.

Commuter Bus Efforts Revived

The Contra Costa County Commuters Association board will hold its regular monthly meeting at Acalanes High School next Tuesday at 8 p. m.

Bus service and highway traffic continue to be the commuters' foremost problems, with the approaching resumption of school and end of vacations increasing congestion on both buses and highway. The Public Utilities Commission is watching the situation closely and recommended an adjustment in bus schedules which was made Wednesday to allow more time between Lafayette and Orinda in the morning because of the traffic congestion.

Preliminary checks seem to indicate additional service will be needed to San Francisco very soon, according to association directors.

With regret and sincere appreciation for his help, the directors have accepted the resignation of Ken Spoon, one of the founders and former vice-president, who is being transferred to Albuquerque on company business and giving up his home in Walnut Creek. He plans to attend the coming meeting, this being his last week before moving.

Vice-president Robert Pulford of Lafayette will preside in the absence of President Aubrey Macomber, now on vacation.

Greyhound has recently put on more express buses to Camp Stoneman, making more room on the local buses for commuters. This has been found to be of considerable relief during peak commute hours.

The October session will be the annual meeting of all members and election of new directors.

Rummage Sale Being Readied

Information on the collection campaign for the fall rummage sale will soon be mailed to members of St. Stephen's Episcopal Church. The sale will be held November 6 at Norway Hall 3829 Piedmont Avenue, Oakland.

It is hoped that castoffs and "what have you" will be contributed, not only by church members, but by all well-wishing friends. With the settling-down-back-to-school feeling in the air no doubt Susie's last year's dresses are now much too short, or "Mother, I just hate that old sweater."

When Junior is sure he's outgrown some toy or the old toaster won't work, the rummage sale committee has very optimistic ideas about all these things.

Mrs. Harriet Hunter is rummage sale chairman.

County Okays 2 New Subdivisions

Plans for two new Orinda subdivisions—Moraga Midlands Addition No. 1 and Moraga Hills—were approved by the Board of Supervisors Tuesday.

Moraga Midlands Addition No. 1 is to be developed by C. E. Coburn. The parcel fronts approximately 1250 feet on the west side of Hall Drive and about 90 feet on the northeast side of Moraga Highway. The land is bounded on the west by Moraga Midlands.

Moraga Hills, with Kermit L. Lohr as subdivider, fronts some 1530 feet on the southwest side of Moraga Highway, about 1115 feet east of El Camino Moraga.

Coburn had requested approval for nine lots, with one to be less than a half-acre in area. However, the Planning Commission recommendation and the supervisors' okay specified that all nine lots must have the half-acre minimum size.

Lincoln, planning a 44-lot subdivision, with average size to be between one-half and one-third acre, and with minimum average width to be 90 feet, had asked approval of five and 10-foot side yards and 20-foot setbacks for all lots.

But the planners' recommendation and the Board of Supervisors' action allowed five and 40-foot side yards for lots 2, 3, 10, 11 and 12—all other lots must have 10-foot side yards. The 20-foot setbacks were okayed.

Cleanup, Parking Plans Discussed At Chamber Meet

Two special problems, cleanup of the downtown area and parking, received the special attention of the Orinda Chamber of Commerce at its noon session yesterday at Casa Orinda.

Sparking the cleanup campaign, which will reserve particular attention for vacant lots where rubbish accumulates, is a committee composed of John Stoffel, Ernest Pohl and Ned de Laveaga.

Proposed was purchase of seven trash receptacles to be placed at strategic locations in the Village and Crossroads areas.

IT WAS SUGGESTED the chamber work in conjunction with the Boy Scout annual drive later this month, with coordination of activities to assist in the cleanup problem discussed.

Another suggestion was circulation of a "gesture" petition among merchants as a request for cooperation of all business people and employees in alleviating parking congestion. The main problem was cited as all-day parking in front of business firms.

DEFINITE NEED for off-street parking facilities in the Village was recognized in the discussion. Merchants in that area are grouping to take some action on use of existing facilities.

It was announced that completion of the Shell Service Station modernization will supply parking facilities for more than 30 cars as an aid to commuters. Upon completion of the station alterations, the proposed bus shelter will be erected on a portion of the newly surfaced area.

ALLEYWAY PARKING at the rear of businesses on the southeast corner of the Crossroads intersection will be kept clear as much as possible by concerns in that location.

Joe Downs, secretary of the Civic Affairs Committee of the Orinda Association, was present to assist in the night protests discussion.

President Ramsey Underwood conducted the chamber session.

County Acts for Road Rebuilding

Bids will be opened by the Board of Supervisors September 17, 3 p.m., for the following road construction jobs, totaling 6857 feet:

Overhill Road from Glorieta Boulevard to Martha Road, Hillcrest Road from Overhill Road to Martha Road, and Drayl Drive from Overhill Road to Glorieta Boulevard.

When the board set the bid-opening date last week, it also:

1—authorized breaking the existing curb and replacing it with a standard curb and gutter, on Moraga Highway in front of Spruouse-Reitz and Orinda Hardware, at a cost not to exceed \$1465.

(This is part of the Moraga Highway widening project near the Crossroads, from Golden Gate Road to Camino Encinas, which has been pending for many months.)

2—Authorized "Rebuilding of Sleepy Hollow Lane and installation of a drain, at a cost not to exceed \$13,200.

3—Instructed the district attorney to prepare an ordinance setting a 35-mile-per-hour speed limit on all roads in Sleepy Hollow Units 1, 2 and 3.

HS Mothers Club Board Will Meet

The Executive Board of the Orinda High School Mothers Club will meet next Tuesday morning, from 10:30 to noon, at the home of the club president, Mrs

Football Season Almost Here; Flurry Of Activity Prepares for Grid Games

By ERWIN MATTSO

THE PAST WEEKS have been busy, what with getting ready for the rapidly-approaching football season. Football posters, physical examinations, equipment, insurance, all the hundred-and-one odd jobs that have to be done before the season gets rolling, have made the days all too short.

The high school season that lies ahead promises to be an interesting one. The past several seasons have found one or more new coaches taking over and this year is no exception.

ROD FRANZ of All-America fame takes over the reins at Mt. Diablo High and brings along a former teammate who was a better than average player himself, by the name of Ralston.

The combination, plus Diablo's wealth of manpower, may prove to be a tough one to beat. At any rate, all eyes will be glued on the Diablo eleven, to watch their development.

TONY KNAPP at Pittsburg looks to have the top eleven again, with a host of returning veterans. Pittsburg has topped top honors the past two seasons and will be the team to beat in the '51 race.

THE LOCAL ACALANES picture is brighter than last year, when but two veterans returned. This year finds better than a dozen lettermen on hand and could result in one of the better Don elevens.

THE QUARTERBACK spot is the one that needs filling. Rumor has it that Bob Kleckner, who was the Number 1 choice, may not play this year. If that is true, the spot will be wide open. Kleckner did some fine work last season, especially in the punting department. Rumor also has it that several transfers are expected, but to date none have shown.

The only time they can be counted is after they register and are on the field in football togs.

WORKOUTS STARTED this week. Better than 100 candidates were expected to report for the initial workout.

Hot weather is hoped for in order to enable the squad to get in some good conditioning work.

In event of continued cool weather, workouts may be scheduled for the afternoon.

SEPTEMBER OFTEN proves to be one of the warmer months, and it's to be hoped that this year is no exception.

Night games on a chilly evening tend to keep the fans away while warm nights bring them out in droves.

NEW PLASTIC HELMETS of the latest design and new nylon pants will be sported by the Dons.

These items will go on display for the first time when the Dons travel to Martinez to tangle with Alhambra's Bulldogs the night of Friday, September 21.

Signup Starts Monday Morning At St. Mary's

New students, together with all lower division students, will register for the autumn semester at St. Mary's College on Monday.

Juniors and Seniors will re-enter for the new term on Tuesday, and classes for all will begin the following day.

Registration will begin at 9 a.m. and continue until 4 p.m.

While upper division men are registering on Tuesday, all new matriculants will be taking a battery of placement examinations to determine the individual's place in the various class sections.

AVOIDING ACCIDENTS

One of the best ways to avoid an automobile accident is to assume the other drivers on the street are going to break all the traffic rules, says the California State Automobile Association.

Another Feature Added to Program Of Country Club

Something new is going on at Orinda Country Club, a cocktail hour every Saturday evening with dinner served as late as 11 o'clock, with musical entertainment throughout the evening. Lovely canapés are served in the Pine Room.

This has proved a very popular feature with the members, as it affords an opportunity to get together with friends, get mother out of the sink and still not make a really big evening of it.

A few glimpses on Saturday following the first round of the Men's Directors Club tournament were the Jerry Jeromes, the Earl Rutherford, Dr. and Mrs. Merle Noble, the Ed Martins, the Van Burens, the E. L. Smiths, All Meggs and Meggs Juniors.

THE MONTHLY Sunday buffets are also a popular feature. That buffet which Manager Clark Mathews entices out of the club galley is really out of this world.

Chatted with the John Manners of Happy Valley with son Jack, who were entertaining Mrs. Manners' sister and brother-in-law, Captain and Mrs. Herbert Kays of Berkeley. Stopped to say hello to the Gene Roots of Montclair and the Lee Scotts, Sr., of Piedmont.

THE FIRST BIG club dance will be held on September twenty-second following the Santa Clara-California football opener.

We don't know the details as yet but with Mr. and Mrs. Fred Federighi as dance chairmen, we know it will be a wonderful affair.

Buy standard brands at standard prices—shop at home.

Assisting Mrs. Williams at the Makeup Booth will be Mesdames Louis Fekete, Wilton Fulcher, Paul Needham, Mike Roberts and O. E. Schirmer, and the Misses Janice Merrow and Diane Christiansen.

Sowing Seeds Before Late This Month Means Sweet Peas at Christmas-Time

By BERT WRIGHT

IF SWEET PEAS are to be at their best for you this winter, the seeds must be sown before late September.

They can be expected to bloom in 90 days, and that means sweet peas for Christmas.

Those who would have the peas with 18-inch stems, each with three or four flowers, will give extra-special preparation to the spot. Ideal location is a well-drained soil that is exposed, preferably, to the morning sun and the afternoon shade.

PLANT YOUR ROWS running north and south and facing towards the east.

If no such location is available, follow this as closely as possible.

Sweet peas like to be protected from the wind, so bear this in mind when you plant your seed.

SOIL PREPARATION is especially important. Dig a trench two feet deep. In this put six inches of well-rotted manure and 18 inches of well-fertilized top soil.

Soak the soil thoroughly, then let settle for a few days before sowing the seed.

Some sweet pea seeds are very hard and if they lie in the soil very long without growing they soon rot. To prevent this, you can remove a little of the hard seed with a knife, or soak the seeds overnight.

Now, make a trench six inches deep in which to sow the seeds an inch or two deep. As the plants grow, the trench can be filled in.

IF YOU NEVER have had good sweet peas, perhaps you can if you inoculate the seeds. All leguminous plants grow better when they have the proper bacteria in the soil.

Failing in these, we treat the seed with a commercial inoculant or bring some soil from a spot where sweet peas have been growing successfully.

FOR BEST RESULTS in the winter season, the Early or Winter Flowering Spencer should be planted this month.

NEW AND TENDER growth is encouraged in parsley, Swiss chard and spinach by cutting older leaves. Cut heads of green sprouting broccoli promptly before the flower buds open and secondary heads will grow in axils of upper leaves. Cut eggplant fruits when purple not brown, and take with each one the large firm cap. Last but not least, give your plants PLENTY OF WATER!

Frances Groves Recital Sept. 27

Frances Groves will give a song recital September 27, 8:15 p. m., in Orinda Community Church's new chapel.

Frances first demonstrated the beauty of her dramatic soprano voice while a music major in her freshman year at Chico State College, and during her three years at College of the Pacific, from which she has just graduated.

While at C. O. P., Frances was the soloist last year with the Stockton Symphony Orchestra, and this year had the solo lead in Menotti's "Medium." She has starred in "Carmen" and the "Magic Flute," and was the principal soloist in the "Messiah," given in the Stockton Auditorium. She has been in great demand at various social and civic club affairs in Stockton.

Frances will be leaving Orinda the first part of October for New York, where she will have further training under the famous voice teacher, Paul Althouse.

The concert on the 27th will give her many friends of Orinda and the Bay Area an opportunity to hear her in a delightful program of operatic, ballad and modern songs and to personally wish her joy and success in her New York study. The detailed program of the concert on September 27 will be announced in the SUN September 21.

Last of Summer Rites Sunday at Community Church

Last of the summer schedule services will be held Sunday morning at 10 o'clock in the Orinda Community Church. It will also be next to last of the services to be held in the enlarged Fellowship Hall, as the church will occupy its new chapel on September 23.

This Sunday, boys and girls will join in as in past months with the congregation in its first half-hour of worship and listen to a story by the minister, With Dorothy Turk at the piano, James G. Hupp will sing and will assist the congregation in its portion of the music.

"Great Expectations" is the theme of the Rev. Fred Morrow's sermon to be given in connection with the service of worship.

Seafarers Chart Their Course

A committee of Seafarers met August 23 at the home of the G. Chester Browns to plan meetings for the remainder of the year and recommendations to new officers when elected for 1952.

Those present were Messrs. and Mesdames A. W. Elkinton, E. T. Meakin, Ralph Wilson and Fred Morrow. It was agreed that future meetings would be on the first Friday of the month, commencing with October 5.

Guild Program Planned for 18th

During "Dedication" Week the General Guild of Orinda Community Church will give a salad luncheon and program at its 12:30 meeting September 18.

This is going to be a time of unusual interest for all the past presidents of the Guild, from Mrs. Ralph Sisson to the incumbent, Mrs. Richard Hafner. Each will speak on the theme "Remember When," telling of the main events of her term of office.

There will be an opportunity to meet these past presidents, a number of whom have left Orinda but who are coming back for this occasion.

An important part of the program will be the dedication of the new kitchen, the building and equipping of which is the Guild project and one which is keeping the General Guild and the four sections working hard.

All Orinda women are invited to be present at this meeting.

Shipmates Have Good 'Cruise'

It was a warm evening for the Shipmates last Friday despite the autumn coolness. The young couples' club of the Orinda Community Church met at the home of Bob and Marian Brown on Orchard Court for a delicious barbecue arranged by Jessie Swift and an evening highlighted by a rather noisy display of volleyball and ping-pong skills.

Guests of the club were Walter and Florence Swedberg, Albion and Elsie Harmon and Cal and Scottie Oliver.

The group is currently at work planning for the musicale it is sponsoring on September 14 at the Joseph M. Long home in Sleepy Hollow. All Shipmates are selling tickets, with Ruth and Art Henry in charge of sales.

Anyone desiring tickets may phone Orinda 2852.

In Oak Drive Home

Colonel Lovick Borden Pearce and family have recently moved into their new home at 22 Oak Drive. Colonel Pearce is a veteran of World Wars I and II, having served in 1918 in Siberia, and in the last one in the European theater, as headquarters commandant of the 71st Infantry Division.

Food, Fashions, Fun at Fiesta Of September 29

If transition from Summer's slow pace to Fall's frantic haste has left you wishing for a one-way ticket to the moon, the Orinda Catholic Women's Club has a suggestion — take a "Flight Into Fashion" instead.

On Saturday, September 29, at St. Mary's College, Moraga, 500 women will cast aside their thoughts of everyday problems and concentrate instead upon subjects dear to their hearts — food, fashions and fun.

For food, there will be luncheon served amid gay "Fiesta" decorations; for fun, colorful entertainment by Senora Eva Villa's talented Spanish dancing troupe — and for fashions, the newest Fall adaptations from Hill N' Dale, smart Lafayette shop specializing in attire suitable for the activity-conscious suburbanite.

Augmenting the Hill N' Dale array will be La Rome millinery, and Edward Bullwinkel furs.

Even the sandbox-to-soda set have not been forgotten, as a quintet of young Orindians have been selected by Mrs. John Boyen, chairman of child models, to promenade in togs from Lad N' Lass in Lafayette.

That the affair will be "different" may be surmised from the fact that Trans-World Airlines is actively co-operating in its presentation, having offered its world-wide resources to committee members, who have planned a variety of surprises for Fiesta guests.

According to Mrs. Dean Lippi, chairman of models, 18 Orinda women have been chosen to appear in the "Flights of Fashion," including Mesdames Don Parle White, Anthony Cianciarulo, Joseph Sheaff, William Thurlow, Robert Boyle, Charles Phillips, Robert Raskob, Al Morris, C. Roy Warren, Fred Conrad, Donald Dullum, Norman Parker, Raleigh De Bow and Richard Bouchet and the Misses Janet Janse, Carol Ann Rechtiene and Florida French.

Child models are Linda Boyen, Katie Dullum, Judy Rechtiene, Jimmy Marshall and Johnny Reilly.

A few reservations for the Luncheon-Fashion Show may still be made by calling Mrs. Roy Niosi at Orinda 8105.

Ray Fowler Will Return to Orinda

Word received last week to the effect that Ray Fowler, who served as youth assistant at Orinda Community Church, will be unable to go to Turkey as he had planned means that he will return to the Pacific School of Religion and to his work in Orinda.

This was announced last Sunday by Rev. Fred Morrow. Fowler made a large place for himself in the esteem and affection of older and younger people alike. A young man of evident personal impact and charm, he has led successfully the Pilgrim Fellowship and the high school section of the Sunday school, as well as assisting in the worship services and calling at homes.

Officers of the church share his disappointment in not being able to take up his missionary labors, but are happy over his returning to Orinda. He has finished his first seminary year.

The Happy Country Folks

By EDITH BOLMAN

WELL, NOW, THIS IS A NEW ONE! We have in the family of Our Happy Country Folk one very fine Jimmy Stewart, autograph—Arne Groenings of Via Hermosa is the proud possessor, and this is how come.

The Groenings, mother and father, and sons Sven and Arne, recently trekked to Oregon for a three-week camping trip. They did it the beautiful way—drove up the Oregon coast (than which there is nothing any cozier—the waves are wavier, the cliffs are cliffier and, believe you me, the rocks are rockier, particularly if you have no shoes on).

They toured up the scenic Columbia River and witnessed Bonneville Dam in action. Then drove around Mt. Hood and decided to light there-upon for a brief spell.

After setting up camp, there dawned upon them the alluring realization that above them at Timber Line a movie location was being set up—pictures were being taken—and a Mr. Stewart was holding forth in all his glory!

Arne became possessed of an idea. With pencil and paper in hand, he coerced his mother into letting him hitch a ride to Timber Line. What his unsuspecting mother did not know was that the ride he hitched was on the bow of a motorcycle.

Anyway, the Hollywood antics while on location were so captivating that the Groenings jerked up camp and moved to Timber Line, and then the autograph came into being.

Then, all things coming to an end, as they do, home they came by way of Diamond Lake, Crater Lake and Mt. Lassen, where they visited Dr. Ralph Hall, who was there on behalf of the Forestry Department for the University of California.

The two boys were dropped off at the Sierra Club at Donner Summit for two more weeks, but now every one is home again, where the beds are better, even though every one hates to admit it.

Postscript: The cutest part of this story we thought was—we phoned Mrs. Groenings a couple of weeks ago and she wouldn't tell us a word because she didn't want the more intriguing parts of the story to "break" before the boys got home.

THE ORINDA STABLES (John) are now the Seattle Stables but before they left the Miles Stables in Sleepy Hollow had a Sunday evening cocktail party for them.

Mr. and Mrs. Robert Elder and daughter Sheri spent one recent week with Mrs. Elder's sister, Mrs. Philip Champin, at Hacienda on the Russian River.

The boys from Stoneman Hospital were here again. The following host families met them for lunch, then off to the Park Pool for entertainment: Messrs. and Mesdames John Parker, William Courtwright, Ron Anderson, Ralph Stocker, James Hupp, George Matey, Willis Branch and Ernest Rahmeyer.

After a picnic supper, the Park Pool put on a talent show consisting of skits, singing, dancing and a magician. Pat Schmidt did a Hawaiian dance, Doris and George Clifford ballroom dancing, Fred Udall did imitations and a puppet dance, Beeky and Hester Harris sang "Sweet Violets." The children did an imitation of a ladies' swimming class which, we hear tell, was uproariously funny.

AIDA IS HOME AGAIN! We just love the names people give their boats—like the one we heard about recently with the apt moniker "Mama's Mink"—well, anyway, Aida (as in opera) is the Wilbur K. Lamb's 36-foot yawl which carried them up Steamboat Slough to Sacramento, Stockton, Lost Isle and back to Antioch.

The whole darn family went: Dr. and Mrs. Lamb, daughter Freddie, son Peter, and a German shepherd and a Pekinese.

How they worked it all out we will never know but Freddie's remark upon arriving home was that it was nice to be able to turn over

I'm Frank ...

When I say I'm awfully proud of our new firehouse over on the Moraga side of Orinda, Al Winsor, the head man over there, took me on the 36-foot yawl which carried them up Steamboat Slough to Sacramento, Stockton, Lost Isle and back to Antioch.

Next to this keg you will also find a keg of mixed screws and bolts. I won't make up any story about them. We just picked them up off

in bed without being afraid of falling off.

Anyway, they all had a wonderful time and took a little side trip by car to Lake Tahoe, where they visited the Oliver Meeks and the Stanley Dollars, Jr.

Now once more we will be seeing Mrs. Lamb with two children and two dogs touring up Miner in the comparative safety of the family jeep.

That is all.

Holy Communion At St. Stephen's Sunday Morning

This Sunday at 9:30 a. m. there will be a celebration of the Holy Communion at St. Stephen's Episcopal Church by the Rev. J. Henry Thomas, from St. Clement's Church in Berkeley. Rev. Thomas will also preach at this service.

On September 16 the regular morning service will return to the 11 o'clock hour. The Rev. William Merrill Fay will preach at this service.

Church School will also begin on September 16, for all children of St. Stephen's families. Pupils from the first grade and upward will attend at 9:45 a. m. in the church on Brookwood Road.

The primary department (kindergarten and pre-school) will meet at 11 a. m. Place for this department has not yet been designated. Space will be limited in this department, and for the time being, only children aged 3, 4 and 5 years will be enrolled. F. M. Powkes is Church School superintendent.

ST. STEPHEN'S CHOIR will begin its Fall activities this Sunday, with a picnic at the Stidham Ranch in Pleasanton, immediately after the services. Choir practices were resumed this week at the regular hour of 8 p. m. Thursdays, at the church. Sherwood Thatcher is choir director and Mrs. George Day is organist.

Rev. and Mrs. Fay are still living in Berkeley, pending finding a permanent home in Orinda. Rev. Fay may be reached by calling Land-scapes 4-3773.

THE BISHOP'S COMMITTEE announced the following appointed to the Executive Group of the Building Committee:

J. Morris Browning, Walter E. Christie, Commander F. B. Connell, Harold S. Doane and William H. Shipley.

Representatives of the Altar Guild, Women's Auxiliary, Church School and music directors will meet occasionally with the Executive Group when plans for specific portions of the church buildings are discussed.

The Executive Group held its initial meeting last week. After a comprehensive inspection of the proposed church property, preliminary discussions were started regarding the many phases of church building planning.

Family Celebration Honors Dr. Barrows On His Birthday

Members of his family gathered at an informal and surprise birthday party for Dr. Thomas N. Barrows the night of August 29 at his Orinda home.

Well-wishers included Major General and Mrs. David P. Barrows, the Gerald H. Hagars, Frank G. Adames and Tom Stows, all of Berkeley; Mrs. F. W. Stewart of Lafayette and Mrs. Barrows, Nancy and David.

Dr. Barrows returned last month from a Far East tour in his capacity as associate director of University of California Extension. Since May of last year, University Extension has been offering college courses to military personnel stationed in the Western Pacific area. Now the program has grown to include 1150 students and a considerable teaching staff drawn from the university faculty.

Dr. Barrows has been associated with military education programs since 1942.

Bee Betz tells me he always knew I had a screw loose, but he never thought I had a barrel of them. Some of these screws are solid brass and sell for about \$5.00 per pound, and now you can buy any part of this barrel for just 25c per pound.

And — next to this keg is a keg of junk; well, it's good, useful stuff anyway. Haven't you ever needed a "thing-a-ma-jing" or a "do-hickey" or just a plain "whatzit"?

Well, this barrel will be full of all of those things and it will be labeled "If you can find it, you can have it." If your house is anything like mine, it's held together with "Thing-a-ma-bobs" and "what-do-you-call-its" and this barrel will be a very popular spot in Orinda. Hope you can use it. No charge, if you can use it.

I'm kinda wondering if this column is worth which — I really don't care if it sells hardware or not; but, if no one ever sees it, well, it's like talking to yourself, and the Lord knows I've done enough of that in the past. That's the reason I have screws loose by the barrel.

However, to everyone that mentions this column to me this week-end, I've got a nice, new, shiny carpenter's pencil for them. If you can't use it for carpentry work, well, give it to the kids; they can write on the wallpaper with it (we sell wallpaper, too, you know).

See ya soon — by the barrels, I hope, 'cause

... I'm Frank

Mexico Intrigues Orinda Travelers

Mrs. Charles Pimentel returned recently with her son Douglas and two Berkeley friends from a 7,000-mile motor trip to Mexico and back, all four taking turns at the wheel.

After seeing the sights at Hoover Dam and Carlsbad Caverns, they drove by Laredo to Monterey. About here the heat, dust and brown landscape gave way to green mountain slopes and semi-tropical growth of bananas, palms and ferns, lovely wildflowers and delightful weather.

Indians driving laden donkeys were a common sight. They were surprised to see corn fields on steep mountainsides climbing up to the horizon, attesting to some Mexican industry.

In Mexico City they went through museums, cathedrals and old castles, and spent two hours in a boat paddled by a native through the famous floating gardens.

From Mexico City they drove

275 winding roads to Acapulco beach resort.

Elaine Ranker Gives Violin Recital Tonight

Elaine Ranker, daughter of Dr. and Mrs. Emory R. Ranker of Lower Happy Valley Road, will give a violin recital tonight at 8:15, at the Church of Jesus Christ of Latter Day Saints, Vine and Walnut Streets, Berkeley.

Miss Ranker is being presented in her first recital by her teacher, Harriet French McNeil. She will be assisted by Itala Gambino, pianist.

The program will include compositions by Handel, Olmstead, Cyril Scott, Hahn, Dvorak, Beethoven, de Beriot, Chopin, Saint-Saens, Debussy and Kreisler.

Will you be killed tomorrow? Drive very carefully.

Canadian Capers (Bunker Hill Cannon, Too) Were in Marie Bennett's Journey

BY PATRICIA JELTON
Marie Bennett, our local lily-gilder, has been up to some very interesting monkey business this summer taking planes, boats and buses to some of our less traveled by-ways. I thought you'd all be interested, so while having the ravages of the past summer repaired to the best of Marie's ability, I asked her if she'd mind, just one more time, telling about her trip. She said it was a funny thing, but every time she started to tell about where she'd been, it reminded someone of where they'd been, and they carried the ball from there. So for the next hour or so, with great difficulty, I wiped my lip, and this is what I heard.

Not to digress, ha, ha, but aren't we the darndest people around here? We are constantly going places, apparently to prove to ourselves that Contra Costa County is the most wonderful place in the world to live.

WELL, ANEWAY, Marie started off in July, leaving our wonderful (in weather, and flew to Chicago. She flew right over that area near Kansas City where the terrible floods were said that it certainly is a mess.

The only thing Marie wanted to see in Chicago was the Marshall Field Store which was closed, it being Saturday afternoon, so she went straight to the pier on the Chicago River where she was to board the S.S. North America for a cruise of the Great Lakes. I'll bet you can't keep the Great Lakes straight in your mind, either, so why don't you get out the map like I did? I ask.

SHE STARTED OFF the trip retrieving lost baggage for old ladies, which, if you know Marie, is typical of her. This particular old lady had one of the best staterooms on the boat, which she invited Marie to share. She kept up a pretense of being a wealthy old dowager as long as she could but eventually broke down and admitted that she was a cook who was sent off every summer by the family she worked for because of a seasonal yearning for fish.

The boat trip started off in one of those muggy summer thunderstorms but cleared as they got under way and turned into a beautiful evening. With the stars twinkling all over Chicago in the black night, she said you could hardly believe it was a big, hot, sticky, dirty city.

The boat trip was very pleasant; there were about 300 passengers aboard but it didn't seem crowded. The food was excellent, and Marie, being an early riser, always had the fresh rolls right from the oven.

FIRST STOP WAS at Mackinac Island, depending upon whether you're feeling French or English. Marie immediately walked all over the island, there being no cars, only horses, and was impressed that any spot which had such a violent history — it went back and forth between the French and English five times — could be so completely dead now. But, when she looked real hard she did think that she saw a few Indians flitting around in the stockade, which was in a fine state of preservation.

They took a horse and carriage with a driver and went up to the Grand Hotel; where they rolled out the red velvet carpet. They really did; it was about a half block long. People apparently go there when they really want to get away from it all. There is nothing to do but fish, sail or play golf.

This is the spot where the Astor boy got his toe-hold toward his first million, trading matches for minks with the Indians. The old legends regarding all the deals are still there. Oh, brother!

NEXT STOP WAS Georgian Bay, where they stopped at Midland, and Marie says the less said about this spot the better.

Then down through the St. Clair River, where all the beautiful summer homes are built on filled ground. There is no road in, you make the way by boat or seaplane. Marie saw the house where Stan and Marie's father had their boat back there.

Then to Detroit, where they were celebrating their 250th anniversary.

'Don't Worry About Uplands' Says Mrs. Hood

Mrs. A. B. Hood of Boyer Circle this week told the SUN that the people living near "The Uplands," swanky 39-room former Crocker estate on the Peninsula being leased by the Russian delegation to the Japanese peace treaty conference, have no cause for apprehension.

"On the basis of my own experience, I find their anxiety amusing," Mrs. Hood said. "The residents there have nothing to worry about, even their curiosity will probably not be satisfied."

Mrs. Hood recalled that in the fall and winter of 1945 she, Mr. Hood and their daughter, Dorothy Lorise, lived at the Edward Kellogg Baird home on Woodbury Road near Cold Spring Harbor, Long Island.

"All the Russian delegates to the U.N. were housed at the adjoining estate," she said. "Despite our curiosity, we never even saw them."

Moraga Will Host Soldiers Sunday

Moraga's "Operation Houseparty" Sunday for the boys from Camp Stoneman Hospital will be a community affair, according to Mrs. A. J. Baitz, who is in charge of arrangements.

Mrs. Baitz said that all residents of the community are invited to come to the Moraga picnic grounds and be hosts to the G.I.s.

Plans for the day's activities include a picnic, a baseball game and other sports.

The Army bus from Stoneman is expected at the Greyhound station in Lafayette at 11 a.m., according to Mrs. S. H. McAllister, who is chairman of the "houseparty" project for the Mt. Diablo Red Cross Chapter.

Mrs. McAllister will be at the bus station to greet the soldiers, as will Canyon-Moraga Fire Chief A. J. Baitz, who will direct the bus driver to the picnic grounds.

IN ST. JOHN'S SHE was met by her son Frank, and together they took a taxi to Argentea, where Frank is stationed at McAndrews Field. The taxi went like a bat out of you-know-what, yet stopped three times on the 90-mile trip for 20 minutes or so each time at lunch stands along the way for the passengers to partake of refreshments.

Marie remarked that she thought it would be less wear on the conveyance if he went slower and did not stop. Her son informed her that the reason for the system was that the man who owned the conveyance also owned the lunch stands.

SHE HAD A VERY happy 10 days with her granddaughters, Sandra and Pat, who are enjoying themselves very much at the base. They have learned many weird Newfoundland folk songs which go on and on when they want their horse back riding they walk down the road, hop on the first horse they see, bareback ride their fill, then hop off.

From Gander Marie flew to New York, had a wonderful few days, then to Madison, Wis., where she visited her mother and sister. There she enjoyed watching work on the famous Frank Lloyd Wright Unitarian Church by his students.

Then home, which she said looked wonderful.

The Canadians assured her that if it were not for the Citadel, we Americans would undoubtedly have Canada. They pointed out with pride that they had the cannon from Bunker Hill. But one of our students remarked that we still had the hill.

From Quebec Marie flew back to Montreal, where she boarded the Lady Roney, a freighter carrying 100 passengers. They sailed down the St. Lawrence along the beautiful Gaspésie Peninsula. Both Americans and Canadians have summer homes along here. The travelers skirted Prince Edward Island and Cape Breton to Halifax, Nova Scotia.

There they sailed in with a Dutch boat filled with displaced persons. They were being eagerly welcomed in Halifax, as they are all over Canada. It's an awful big country and there just aren't enough people.

Halifax has never recovered from the explosion during World War 1, when a ship filled with TNT was rammed by a Belgian freighter. Over two-thirds of the town was laid low.

SHE DROVE BY CAR to Sidney and from there flew to St. John's, Newfoundland. There was hardly a spot of Newfoundland that didn't contain lakes, many of them filled with water lilies; many wild iris, wild roses, and wild snapdragons were blooming.

Newfoundland is the same size as Great Britain, but has only 300,000 people. The principal industries are fishing and paper mills, the island being covered with small evergreens ideally suited to pulp. Everyone who can lay hands any kind of merchandise around St. John sets up shop right in their homes; lots of hand work.

One shop Marie went into had a sack of potatoes mixed up with some imported American plastic

Chit and Chat about Don and Donna

By MARY THEIS
WELL — MUCH AS I hate to face it there's only a few days left before school starts.

For new students, here's some of the things you should know about Acalanes.

Student Body officers who were elected last year are Art Siler, president; Mike Klement, vice-president; Barbara Springston, secretary; Pat Randall, treasurer; Jayne Kirk, social secretary; Ben Randall, boys' yell leader; Leslie Heche, girls' yell leader.

The school paper is the Acalanes Blueprint and the year book is the Aclan. Early in the year, salesmen for this publication will be after you. Take my advice and make your reservation — it's worth it at the end of the year.

Student Body cards also go on sale during the first month. Although the pictures on them may not be your idea of pin-ups, be sure and get one — it really will save you money.

FOOTBALL GAMES start the school year off with a bang. Let's all come and root the team to victory (we hope!).

About the fifth week of school you may see some students wandering around with strange looks in their eyes. This only means that progress reports (better known as cinch notices) have been sent out. They claim these are sent when you are excelling or failing in your work. This may be true but I have yet to hear of one which says you are doing good.

IF SOME DAY you are near the entrance of the school and a car comes swerving down the road — relax — it's only a student driver. Driver's Training is the course, and although it may be fun for the driver, onlookers beware!

Don't worry if you see some girls in odd-looking clothes — they're from Modern Dance. They say it's easier to dance dressed like that.

I COULD GO ON for hours but I do have some other news. Just don't ever hesitate to ask somebody — remember, they were new at one time themselves.

Santa Cruz is still as popular as ever. Carol Jean Earle recently spent a week there with Jackie Irving. Right after she returned she left again for Colombia, where she spent two days.

Don't worry if you give a violin concert tonight in Berkeley. Good luck, Elaine — I'm sure you'll be wonderful.

Seen practicing yells at the Park Pool were our three yell leaders, Renon Hagens, Leslie Heche and Ben Randall. It won't be their fault if we don't have some good rallies and a wonderful rooting section.

It looks like I'm running out of space, but I'll be back with more news and gossip.

Delphians Resume Sessions on 17th

After three months' vacation, Kappa Rho Chapter of the Delphian Society will hold its first meeting of the season September 17, 10 a.m., at Our Savior's Lutheran Church. "Mental Hygiene" will be the study topic.

Those attending are asked to bring sandwiches. Coffee will be served.

The chapter board met August 14 at El Nido. A short business meeting followed luncheon. Mesdames P. F. Nemir, Lyle P. Lund, F. Elvin, J. C. Newell, Allen Johnson and H. F. Neller were present.

Kappa Rho members enjoyed an outing August 2 at St. Mary's Park. After lunch there was a round-table discussion on the articles in the July issue of the Delphian quarterly.

Providence Barbecue To Be Held Sept. 22

Plans have been completed for the annual barbecue of the Santa Maria Branch of the Junior Guild of Providence Hospital September 22 at St. Mary's Grove, Lafayette.

Membership in the Santa Maria Branch covers the Orinda, Lafayette and Walnut Creek area.

The barbecue is a benefit for the Guild's charitable activities in connection with Providence Hospital.

Mrs. J. L. MacDonald is general chairman, and her assistants include Mesdames F. C. Kracke and J. M. O'Brien of Walnut Creek and C. A. Lehmann of Lafayette.

'Twas Gay Party And Really Wet

Peter Rank is entertaining as his house guest Adrian Bean of Palo Alto. They decided to have some more of the fun they had at Feather River.

They were entertained at a swimming party and wienner roast at Peter Jelton's, who also has a house guest, J. Western Cunningham of Ramsey Military Academy in Santa Monica. "Skipper" Cunningham's paternal grandmother is Mrs. Hal Atkinson of Piedmont.

A good wet time was had by all.

Lorentzenz to Give Soroptimist Dinner

The home of Mr. and Mrs. Larry Lorentzen on Legion Court will be the setting for a barbecued dinner next Tuesday night for the members of the Soroptimist Club of Oakland.

Mrs. Lorentzen is financial secretary of the club.

Six p.m. will be the time when watering mouths will start being transformed into satisfied appetites. Active in arrangements for the gathering is Mrs. Charlotte Tarr of Lafayette.

The event is being held to raise money for the welfare projects of the club.

LAST WEEK we had a good rain which should have started many of you to thinking. The rain should have made you conscious of any driveway problems you may have.

In other words, is your driveway going to be a swamp this winter? Are you going to have to jack your car in the street and walk to the house?

Diamond K would be glad to haul in a load of road base rock and top it off with a load of gravel. Your driveway problems are no farther from a solution than you are from your telephone. We are sure that we can solve your driveway problems quickly and economically.

IMMEDIATELY FOLLOWING the rain the other evening, it should have been a simple task to survey your grounds and garden and be able to see the need for drain tile. If you lacked proper drainage for the first rain, think what it will be this winter.

You still have time to get in those drain lines before winter, so drop down to Diamond K and let us help you figure your needs. It is surprising how simple it is to solve this problem of water standing around the house.

DON'T FORGET to get your order in for firewood. The best way to insure dry, well seasoned oak fireplace wood is to order early.

See you next week.

Sunday 'Rally Day' for School At Our Savior's

"Rally Day" for the Sunday School will be held this Sunday at Our Savior's Lutheran Church in Lafayette.

Mrs. Ralph Saxton will be superintendent of the Sunday School, and a large staff of teachers will instruct classes for all ages, beginning at three years; Pastor Luther Berven will teach the adult Bible class. The Sunday School hour will begin at 9:30 a.m.

A new feature of the Sunday School this year will be the "Family Service," a worship service designed for the whole family. Instead of "sending" their children, parents are being urged to "take" them and attend Sunday School themselves.

Sunday School will open with a brief service, including a "sermonette" by Pastor Berven, and then the pupils and parents will go to their respective classes.

At the 8 and 10:45 a.m. services, Pastor Berven will speak on the sermon topic, "Life at Its Fullest." The text is Philippians 1:20 and reads, "For me to live is Christ, and to die is gain." The "a cappella" choir will sing at the 10:45 a.m. service.

The Women of the Church will meet on Tuesday evening. The confirmation class will meet tomorrow at 9 a.m.

Coast Counties Starts Project

The Coast Counties Gas and Electric Company has started construction of a large gas supply main to increase service facilities in the Walnut Creek-Danville area, according to George Bowersox, Regional Manager of the Company.

Bowersox stated that the project, consisting of five miles of eight-inch pipe and costing approximately \$125,000, is to assure adequate natural gas service for the anticipated growth of the area. Contract for the work has been let to M. G. M. Construction Company and the project is expected to be completed about November 1.

The line starting at Ygnacio Valley Road follows along San Miguel Rancho Road, Palmer Road, Livorna Heights and Miranda Road to Green Valley Road.

DRIVING AT NIGHT
When driving at night, always drive at a pace that will permit you to come to a full stop within the distance ahead illuminated by your headlights, advises the National Automobile Club.

John E. Keith, Elizabeth Chaplin Wed

In the presence of close relatives, John Emerson Keith, son of Mr. and Mrs. William Keith of Relief Station Road, claimed Elizabeth Anne Chaplin as his bride Sunday. The 2 o'clock ceremony was performed in the parish house of St. Margaret Mary's Church by the Rev. Father Huffman.

Mrs. L. H. Reese of San Mateo, a sister of Mr. Keith, was the matron of honor. A cousin, Keith Varney, was best man for the groom. The bride is a graduate of Piedmont High School and of the California College of Arts and Crafts. The groom will receive his degree from the College of Arts and Crafts in December.

A Marine Corps veteran, Keith was discharged with the rank of technical sergeant after months in the hospital recovering from wounds received in the Korean conflict. In addition, he is a veteran of five major Pacific area campaigns in World War II.

The benedict is a great-grandson of a California artist, the late William Keith, whose work is a part of the permanent collection of the De Young Museum and of the California Palace of the Legion of Honor in San Francisco. The old Keith home on Ridge Road, Berkeley, is now known as the Keith Gallery.

Sermon Will Be On 'New Birth'

Rev. Joel S. Peterson will preach on "The New Birth—What Is It?" at the 7 p.m. service at Mission Covenant Church in Lafayette Sunday.

The choir will meet tonight for its first rehearsal this season. Regular Sunday services are at 11 a.m. and 7 p.m. Sunday Bible school is at 10 a.m., and the Young People's service is at 6 p.m.

Commenting on the theme of his Sunday evening sermon, Rev. Peterson says:

"Be a Christian without Christ? Absurd, of course! The Christian Gospel has principles to live by and an example to follow.

"But principles cannot provide the power for their application, nor is the example, even though it is Jesus Himself, sufficient to hold us to so high a life.

"How, then, is the Christian life possible? Only by receiving Christ into your life.

"He that hath the Son hath the life, and he that hath not the Son of God hath not life." (1 John 5:12). You can not be a Christian without Christ.

"The miracle of the 'new birth' must take place in a man's heart, whereby Christ enters into life by His Spirit, and he becomes a new creation with a new outlook and new attitudes."

Varied Musical Program Offered At Concert 14th

Announcement of the program increases the anticipation of music lovers who plan to attend the evening of music to be presented informally at the J. M. Long home in Sleepy Hollow on Friday evening, September 14, at 8 o'clock.

The concert is being presented under the sponsorship of the Clipper and Shipmates Clubs for the benefit of the Community Church choir's organ fund.

IT WILL FEATURE three outstanding musicians of the Bay Area — Daniel Popovich, pianist; Margaret Popovich, soprano, and Curtis scholarship winner Tom Hageman, flutist.

They will be assisted by a special group of strings from the Orinda Little Symphony—Lois Plenner, Evangeline Honnold and Eva Bailey, violinists, and Laura Hudd, cellist.

A FRIENDLY AND INFORMAL atmosphere will make this evening of musical treats a pleasure for those whose taste is strictly amateur as well as for experienced concert-goers.

Tickets have been limited to 200, because of space limitations, and are available from members of the sponsoring groups.

Car Overturns, Driver Unhurt

When the car he was driving skidded and overturned on Mt. Diablo Boulevard about a half-mile east of the Tunnel last Saturday night, James Newcomb, 35, of 1209 Mendell Drive, was uninjured.

The accident occurred about 8 p.m. Newcomb was driving toward Orinda.

Lawrence Michel of Oakland was injured when the car he was driving collided with one driven by Samuel S. Gray, 36, of Alameda Saturday evening on the highway about eight-tenths of a mile west of Orinda Crossroads.

He was taken to Permanente Hospital in Oakland.

Also on Saturday a two-car collision occurred at Mt. Diablo Boulevard and Lower Happy Valley Road. No one was injured.

Drivers were George Walker, 31, of Richmond, going west on the highway, and Ruth Von Tegen, 27, of 13 Happy Valley Lane, going south on Lower Happy Valley Road.

Homemaking Queen Contest Is Under Way Now

Central Contra Costa County will soon have its Homemaking Queen and her Court.

Maybe you'll be the lucky Queen. What's more, if you are selected as Queen or one of the four Princesses to rule over the Grand Opening festivities of Broadway - Walnut Creek, you'll receive valuable prizes which would turn a real queen or princess green with envy.

Prizes worthy of "their highnesses" are being donated by the 38 merchants of the \$3,000,000 shopping center.

Clothing, jewelry, cosmetics, glassware, household appliances — these are just a few of the prizes which will be awarded.

The entrants for the honor of being the outstanding young mother of Central Contra Costa County must be not over 35 as of October

10, 1951, and will be judged on: Appearance, personality and her recipe for a two-egg cake, which will have to be baked.

The Walnut Creek Sun, Lafayette Sun and Orinda Sun will each name a candidate, from its area, for Homemaking Queen of Broadway-Walnut Creek. In this participation, the Sun papers will be competing with other newspapers of the area.

To enter the contest, an applicant should fill out the form below.

The paper's candidate will be announced October 4, and final selection of Queen and Princesses will be made by judges October 10.

Use the entry blank to enter the contest. Good luck, your highnesses!

School lesson for grown-ups

120,000=?

120,000 equals the approximate number of school-age children injured or killed in traffic accidents last year.

That's our problem to solve, now that school is back in session. And there's only one answer for drivers: slow down near schools, playgrounds and in residential areas. Stay alert! Let's reduce that figure of 120,000 to the smallest possible fraction!

Couple of 'Buts' About Those Runs For School Buses

That list of Orinda School District bus schedules in this issue of the Sun is as complete as the school board can make it for the present, but Superintendent Joseph L. Sheaff points to two modifications for the beginning of the school year:

1.—In the Sleepy Hollow area and nearby, a number of roads have been torn up because of sewer installations, and the school bus will not be able to go along them for a while. These include Miner Road, Camino Don Miguel, La Espiral and Las Vegas.

Children from La Espiral and Las Vegas will have to get the bus at Five Corners until further notice. These from Miner Road and Camino Don Miguel will get the bus at Camino Sobrante and Miner Road.

2.—Because of the large number of youngsters to be picked up on the various routes, it may be necessary to leave some children to wait for second bus. However, in all cases the children from kindergarten, first, second and third grades will be picked up first.

Sheaff also explained that the reason for the fact that double sessions will be necessary only for the Orinda School first grade is twofold:

(1) Agreement by the Board of Trustees of Orinda Community Church to let the school authorities use the church nursery school quarters as an afternoon kindergarten room; (2) decision to use a teachers' room at Orinda School as a classroom.

This makes two extra rooms available at Orinda School, and eliminates necessity of second and third grade double sessions at the school, which had been anticipated earlier.

WORK WANTED

Outdoors Has Been No. 1 on Agenda of Scout Tr. 200 for Busy Summer Months

By CARRIE L. BROWN

Boy Scouts of Troop 200 have just completed a very active summer schedule.

Most of the troop attended camp for two weeks at Wolfboro in the Sierras, and in addition worked on projects to go up a grade in their scout standing.

Dickie Scriber, Mike Small, Bob Johnson, Harry Noller, Robin Muse, Alan Waddell and Woody Hutter worked on baskets, trays and other items to get credit toward their merit badges.

HERE ARE SOME of the trips the scouts made:

Bob Johnson, after two weeks at Wolfboro, went for another vacation at Forest Lodge, where he did a lot of hiking and camping.

Ben Coombs made a trip through the Trinity Alps, then to Los Gatos and finally Inverness.

Robin Muse, after his Wolfboro experience, went to Blue Lake and Steamboat Landing, and should get an extra award for his studies of snakes.

JIM STEWART WENT on a pack trip with his dad in the Kings Canyon country.

Bob Long, after a fishing trip, worked at one of his dad's stores in Alameda.

Phil Branch, after Wolfboro, headed for the Oregon Redwoods.

Jeff Rankin spent his summer at Russian River, camping and learning to cook under the trees.

Alan Waddell, after Wolfboro, went to Morro Bay in Southern California.

Woody Hutter, after two weeks at Wolfboro, went to Los Angeles and Long Beach.

DOUG KROTZ HAD the most wonderful trip of his life south of

he border, including Mexico, Guatemala and Panama. He came home in a United Fruit boat loaded with bananas. He saw a real live volcano in Mexico, too.

John Hall, after Wolfboro, went camping on Hot Creek, which he does every year. Chuck Coburn divided his summer between Marin County and Lake Tahoe. Harry Noller went to Wolfboro and had an extra vacation at Mammoth Lake.

GEORGE HARRISON spent eight weeks on an eastern trip and swam "practically all the way," including stops at Great Salt Lake, Grand Lake, Lake Erie and Atlantic City — also went to Annapolis and West Point.

Hugh Haskell, assistant scoutmaster, worked this summer and enters Stanford in September. All the scouts will miss Hugh.

MIKE SMALL MISSED the scout bus to Wolfboro but he got there just the same on a Greyhound bus. After winning swimming honors at camp, he came home and concentrated on making money by watering lawns in Sleepy Hollow.

Mark Jensen went to a camp for two weeks near Redding and then on to Seattle.

Gary Arrell, after two weeks with Troop 3 at the Berkeley camp near Angels Camp, had a wonderful trip to the Grand Canyon, Death Valley, Mt. Lassen, Boulder Dam and Zion National Park.

Dick Scriber spent two weeks in Seattle. Eddie Gathings spent two weeks at the Meakin cabin on Tuolumne River, swimming and hiking, and then got a job as cowboy tending cattle and mending fences on the Lobdell Ranch between Concord and Clayton — made five bucks per day plus room and board.

NOTICE OF FILING ASSESSMENT AND OF THE TIME FIXED FOR HEARING APPEALS. LOCAL IMPROVEMENT DISTRICT NO. 21.

NOTICE IS HEREBY GIVEN that the Assessment, together with a Diagram and Engineer's Certificate attached thereto, in the matter of the work and improvement, to-wit: The construction of sanitary sewers and appurtenances in Local Improvement District No. 21 in Contra Costa County, State of California, was filed with the Secretary of the District Board of said Sanitary District, and in the office thereof at 1822 Mt. Diablo Boulevard, City of Walnut Creek, in said County, on August 31, 1951.

NOTICE IS HEREBY FURTHER GIVEN that the owners, the contractor, or his assigns and all other persons interested in said work or in said Assessment, feeling aggrieved by any act or determination of the District Engineer in relation thereto, or who claim that the work has not been performed according to the contract in a good and substantial manner, or who claim that any portion of the work for any reason was omitted or illegally included in the contract for the same, or having or making any objection to the correctness of the Assessment or Diagram, or other act, determination or proceedings of said District Engineer, may, prior to the date hereinafter fixed for hearing, appeal to said District Board by briefly stating in writing the grounds of appeal.

And the 25th day of September, 1951, at 8:00 o'clock p.m., on said day, and the meeting place of said District Board at 1822 Mt. Diablo Boulevard, in said City of Walnut Creek, have been fixed as the time and place when and where any and all persons interested in said work or Assessment may appear before said District Board and be heard by said District Board upon such appeal, and show cause, if any they have, why said Assessment should not be confirmed.

Reference is hereby made to Resolution of Intention No. 618 adopted by said District Board on the 29th day of June, 1950, under which said work was done, for a description of said work.

DATED: August 31, 1951.

Christian Science

Sermon on 'Man'

"What is man, that thou art mindful of him? and the son of man, that thou visitest him?"

This verse from the eighth Psalm is one of the Bible citations to be read in the Christian Science Lesson-Sermon for Sunday, September 9, on the subject "Man." Further reading from the Psalm will answer: "Thou madest him to have dominion over the works of thy hands; thou hast put all things under his feet."

The correlative citations from the Christian Science textbook "Science and Health with Key to the Scriptures" by Mary Baker Eddy, will include the following passage: "Man is not made to till the soil. His birthright is dominion, not subjection. He is lord of the belief in earth and heaven, — himself subordinate alone to his Maker. This is the Science of being" (p. 517).

Attention is directed to the correlation of the Specifications with the Standard Specifications of the State of California, Department of Public Works, Division of Highways, January, 1949, as to materials, methods, and workmanship.

The Contractor shall perform with his own organization and workmen under his immediate supervision, work of a value of not less than fifty per cent of the value of all work embraced in the contract, as required by the Specifications for this project.

The Contractor, whose bid is accepted, shall furnish the following bonds to the County (at no expense to the County) executed by a responsible surety acceptable to the County in the prescribed form:

(a) Faithful Performance Bond
(b) Labor and Materials Bond
Each of the above bonds shall be in an amount equal to one-half (50%) of the total amount bid by the Contractor in his Proposal.

All bids must be submitted on a Proposal Form, obtainable from the County Surveyor, and shall be accompanied by a Proposal Guaranty of at least ten (10%) per cent of the bid. Guaranties shall be in the form of certified checks, or cashier's check, as provided in the section of the Specification referring to Proposal Requirements. Bidders Bonds will not be accepted. Failure to return the contract, or to file acceptable bond, as required, within the time allotted shall be cause for the annulment of the award and the forfeiture of the Proposal Guaranty. All guaranties not so retained by the County shall be returned to

the bidders within fifteen days (15) after the award of the Contract.

The Contractor shall commence work within ten (10) days after approval of the Contract by the District Attorney of Contra Costa County.

The Board of Supervisors of the County of Contra Costa reserves the right to reject any or all bids. Request for forms or information shall be addressed to Jos. W. Barkley, County Surveyor and Road Commissioner, Post Office Box 390, Room 235, Hall of Records, Martinez, California.

Proposals shall be filed with Walter T. Paasch, Clerk of the Board of Supervisors, Hall of Records, Martinez, California.

The attention of bidders is directed to the provisions of the Specifications regarding Legal Relations and Responsibility.

Attention is directed to the correlation of the Specifications with the Standard Specifications of the State of California, Department of Public Works, Division of Highways, January, 1949, as to materials, methods, and workmanship.

The Contractor shall perform with his own organization and workmen under his immediate supervision, work of a value of not less than fifty per cent of the value of all work embraced in the contract, as required by the Specifications for this project.

The Contractor, whose bid is accepted, shall furnish the following bonds to the County (at no expense to the County) executed by a responsible surety acceptable to the County in the prescribed form:

(a) Faithful Performance Bond
(b) Labor and Materials Bond
Each of the above bonds shall be in an amount equal to one-half (50%) of the total amount bid by the Contractor in his Proposal.

All bids must be submitted on a Proposal Form, obtainable from the County Surveyor, and shall be accompanied by a Proposal Guaranty of at least ten (10%) per cent of the bid. Guaranties shall be in the form of certified checks, or cashier's check, as provided in the section of the Specification referring to Proposal Requirements. Bidders Bonds will not be accepted. Failure to return the contract, or to file acceptable bond, as required, within the time allotted shall be cause for the annulment of the award and the forfeiture of the Proposal Guaranty. All guaranties not so retained by the County shall be returned to

the bidders within fifteen days (15) after the award of the Contract.

The Contractor shall commence work within ten (10) days after approval of the Contract by the District Attorney of Contra Costa County.

The Board of Supervisors of the County of Contra Costa reserves the right to reject any or all bids. Request for forms or information shall be addressed to Jos. W. Barkley, County Surveyor and Road Commissioner, Post Office Box 390, Room 235, Hall of Records, Martinez, California.

Proposals shall be filed with Walter T. Paasch, Clerk of the Board of Supervisors, Hall of Records, Martinez, California.

By order of the Board dated August 27, 1951.

W. T. PAASCH,
County Clerk and ex-officio Clerk of the Board of Supervisors.

By M. A. SMITH,
Deputy Clerk
